Winter/Spring 1994

A non-profit organization for the enhancement of amateur radio, worldwide peace and friendship

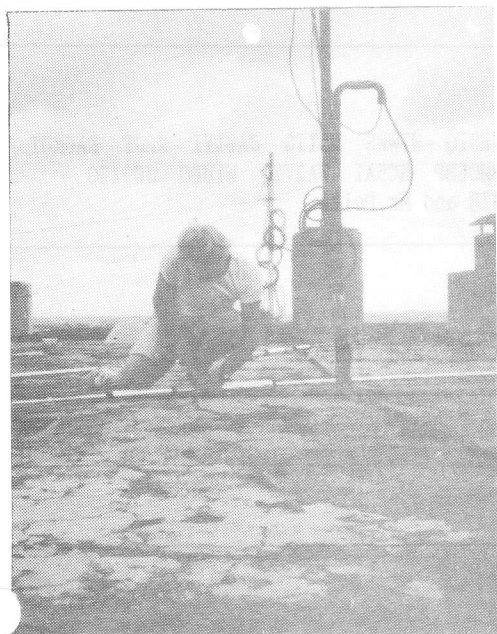

ERITREA E31A

Franz DJ9ZB

Vince K5VT

Antenna assembly

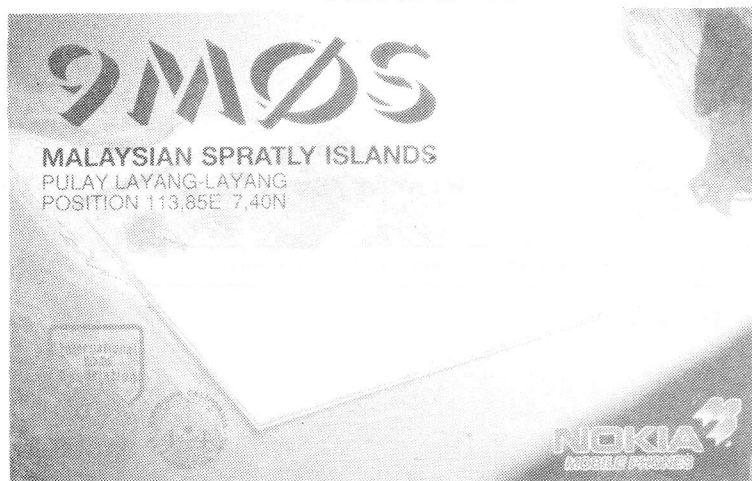

E31A was put on the air in August of 93 by DJ9ZB, K5VT and JH1AJT. Much effort was put into working all bands and modes. Bands covered were 3.5 to 50 Mhz. Contacts totaled 22,980 which included:

| | | |
|-------------------------------|-------------|-------------|
| SSB....14,970 | CW....7,070 | RTTY....940 |
| Worked: JA and Asia.....4,800 | | |
| USA, N.A. and S.A....5,000 | | |
| Europe.....12,980 | | |
| Others.....200 | | |

A total of 152 countries were worked.

We hope all went well when Franz returned home after the trip. He was on holiday in Austria with his XYL and had to cut it short for the trip to Eritrea.

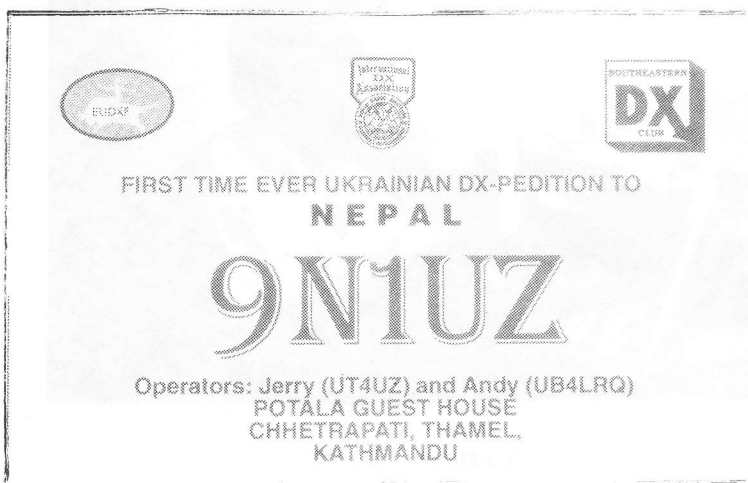

SPRATLY ISLAND

9MØS was put on the air with thanks to all the operators. Those being 9M2FK 9V1YW, JA5DQH, N7NG, WA6AUE, OH2BH, OH2MAK, AB6NJ and OH1NYP.

Nine ham radio enthusiasts with a strong will to succeed, 1800 meters of coral atoll, many kilos of radio equipment, all cooking in a boiling and humid tropical climate...these were the ingredients in the six day 9MØS expedition that netted 37,000 QSOs and which moved Spratly off the "Most Wanted Countries" list.

This expedition is dedicated to the memory of Mr. Sako Hasegawa, JA1MP, Founder of Yaesu Musen Co who became a Silent Key at the time of this operation. QSL via INDEXA c/o W4FRU

This was the first ever Ukrainian expedition to this country. This is due to the efforts of Jerry, UT4UZ and Andy, UB4LRQ. Band conditions were not good during this time but they did make many amateurs happy with a "new one". They made every effort to keep the total cost low due to their budget but was hit with an unexpected high fee for the license. They worked the world as expected even under these conditions. QSL via PA3BUD

INDEXA STAFF MEMBERS

Don Sereni, KB6KTV Daly City, California
Don is INDEXA LIFE member #1826 and is very proud to be of some help to anyone on the INDEXA INFORMATION SESSIONS.

He has the following awards, DXCC, WAZ, WAC, WAS and is working toward his DXCC Honor Roll #1. Besides amateur radio, he enjoys fishing and deer hunting. First licensed in 1985 and upgraded to general in 1987.

Camille is his XYL for 28 years and their son, Jeff is in the USMC. Jeff spent a tour of duty in Somalia in Dec 1992.

We welcome Don to the group.

Ron Brown, AA4KT Kingsport, Tennessee
Ron is a member of NCDXF, QCWA and is a LIFE member of the ARRL and HIDXA. He is also INDEXA LIFE member #1605.

First licensed in 1962 as WN4GFF, then WN4QMC and on to extra in 1977. He received the call of AA4KT in 1978.

He received his DXCC in 1979 and went on to DXCC #1 in 1992. He also has 5BDXCC, CQ DX Honor Roll, CQ 5BWAZ and 5BWAS. He has been very busy in the past and now has time to assist others on the INDEXA INFORMATION SESSIONS.

We also welcome Ron to the group.

OFFICER PROFILE:

DIRECTOR: JIM RUMBLE, VK6RU

Jim took an interest in this hobby at the age of 11 in 1928 along with a school friend. Later while in the scouts he heard there were licensed amateurs in existence. He made an effort to become one of the BIG boys.

In 1937 he became licensed as VK6RU and at that time, only CW was permitted on a probationary period of six months. He has kept his love of CW since then.

Due to the war in 1939, all licenses were suspended and all equipment was put in security storage until 1945. In January 1946 he returned home from the war with a good surplus of fine navy equipment. Hi. Between 1937 and 1950 he had received DXCC, WAC, WBE and BERTA awards. DX was the main interest so after 1950, he kept logging it in and collecting more awards.

In 1965 his suburban home with stacked 3X3 on 10-15-20 was given up for a move to the "country" 8 miles outside of Perth. Why do this? More room for the antennas, 1/2 mile from the Indian Ocean and 200 ft. above sea level. In 1970

had too many contacts in the log without many eyeball QSOs. He along with his late XYL, Joan (married in 1939) began to tour the world. This would finally put a face on some of the contacts in the log. Since then he has made three more trips to other countries and enjoyed every minute of it. Amateur radio has indeed been a rewarding hobby over these past 57 years. He is now content to keep his schedules with his many friends still active in this great hobby.
